LIVING DRUG FREE

RED RIBBON WEEK

OCTOBER 23-27

See flyer for the week's activities

Red Ribbon Week started in 1988 in response to the murder of Drug Enforcement Administration (DEA) Special Agent Enrique "Kiki" Camarena. In 1985, Kiki Camarena was on assignment in Guadalajara, Mexico when he was kidnapped and killed by drug traffickers. His murder brought anger to the community and was a catalyst for the Red Ribbon Campaign. Together in Kiki's honor, parents and youth in communities nationwide began wearing red ribbons as a symbol of their commitment to raise awareness about the destruction caused by drugs. Red Ribbon Week is not a program but an awareness event designed to increase citizen participation in community and school-based prevention efforts. The aspect of planning and working together is as important as Red Ribbon Week itself because it creates a sense of community and shared values.

Friday, October 27 | 8am

Parish/School Mass. Students are to be in dress uniform. Students are not to use non-uniform free dress coupons on Mass days. If a student's birthday falls on a Mass day, they may wear free dress the day before OR after.
