

The students of **Holy Trinity ECDC** learn in a Christ-centered environment, which fosters the formation and growth of the whole child. We believe each child is a unique creation of God. We respect all children's natural curiosity about their world and their desire to be independent. We appreciate the miracle of child's development and prepare materials and surroundings to challenge a child's spirit of discovery and wonder.

Mindful that learning is a lifelong process, teachers, as facilitators of learning, assist students in exploring the world around them to ask questions, to express and to realize the joy of discovery. Teachers offer opportunities for children to develop and learn through academics, language, and social skills. Through their example they also foster the concepts of fairness, respect, and love for God and one another.

Enrollment Policy

We welcome students of any race, color, nationality and ethnic origin to participate in all the rights, privileges, programs, and activities made available to students at Holy Trinity Early Childhood Development Center.

We do not discriminate on the basis of race, color, nationality, or ethnic origin

in the administration of our educational policies and other school administered programs.

Admission Policy

Holy Trinity ECDC is open to children 3 years old through 5 years old. Children must be potty trained. Children must be current with all required immunizations. A shot record and physicians report is required with registration packet before starting preschool.
