5 Things Parents Need to Know Today!

1. [Tiny Saints](#) - Check out this resource and enjoy free downloads and activities with these tiny saints. We encourage you to have a discussion with your child about the role of saints in our lives, and even help your child meet a saint like them by taking the quiz using the hyperlink above.

2. [Weekly List of Class Distance Learning Plans \(K-8\)](#) - As I communicated last week, I will continue to provide a list of our school's Distance Learning Plans in advance. Students are encouraged to relax and enjoy quality time with their families on the weekend. The purpose of sharing these plans in advance is to support parents that are interested in planning their child's academic work week ahead of time, especially those that are also working from home during this unprecedented time. Teachers will continue to post their plans on Google Classroom by 8:00am every Monday morning. The plans will be available for reference on the distance learning page of our school website by Monday morning as well.

3. **Schedule of all Online Classes (K-8)** - The hyperlink above also has a direct link to this week's schedule of all of the live classes online in grades K-8, including optional classes with our adjunct teachers. We understand that distance learning has been a challenge for families with multiple children and limited devices. Therefore, we will continue to provide this schedule as an informative reference sheet and scheduling tool for families as they plan their week. Links and access to these online classes will be shared on Google Classroom and through communication from teachers.

4. **SD Catholic Mother's Day Video** - As a friendly reminder, the diocese is collecting pictures of children holding a flower, an image of our Lady, holding a sign that says Happy Mother's Day, I Love You, etc. in different languages. Please ensure that you have permission to share these pictures. They will be listed on our Diocesan website, social media outlets and the diocesan YouTube Channel. Details: 1) The pictures need to be from the waist up. We ask that the picture be of the child or children holding flowers or a Mother's Day message. 2) The orientation of the picture needs to be vertical. 3) Send all images to mgalvan@sdatholic.org and abustos@sdatholic.org by April 30th. Please CC [me](#) in those emails as well so that she can also create a collage of the photos for our school community. Thank you to the school families that have already shared their photos!

5. **Stay Updated and Connected** - Check out our Distance Learning update page on our school website. This is the general location where you will be able to find updated information about distance learning during this Covid-19 pandemic and temporary school closure. You can also stay connected through our school accounts on social media.

Thank you for your continued understanding and support!
As always, please let us know if you have any questions or concerns.
