5 Things Parents Need to Know Today!

1. **Turn in Work Tuesdays** - The turn-in work bins will be out in the same location today from 9am - 12pm for any work that needs to be submitted today. You may also drop off your 2020-2021 Parent Agreement for School Enrollment & Registration to the office during this time as well.
2. **[Faith, Religion, & Prayer Resources](#)** - We have started to gather links to great faith-filled resources to help our families continue to grow in faith while distance learning at home. Please check it out on the distance learning page of our school website.
3. **Google Classroom for Adjunct Teachers** - If you are interested in participating in any of the optional classes with our adjunct teachers this week, please have them join the appropriate Google Classroom for each teacher. Please refer to [this week's schedule of all online classes](#) for more information about specific days and times for the optional classes, as well as the class codes for each adjunct teacher.
4. **Diocesan Update on Campus Closures** - Please read the attached letter from the Diocese of San Diego Office for Schools Director, John Galvan, regarding an update on campus closures for the remainder of 2020.
5. **BINGO** - This week's The San Diego Union-Tribune and San Diego County Office of Education (SDCOE) Learning at Home Bingo helps students think like a musicologist. Sounds like a blast! Check out all the ways students from grades K-12 can explore sounds and vibration using objects found at home in your Sunday paper or at <https://www.sandiegouniontribune.com/learning-at-home-bingo-april-26>

Thank you for your continued understanding and support!
As always, please let us know if you have any questions or concerns.
