5 Things Parents Need to Know Today!

1. **Workspace Wednesday** - We truly miss all of our students and school families! Fortunately, there are still many ways that we can stay connected and still see each other during this unique time. We love when our families share pictures of the students and their workspaces while distance learning at home. We encourage you to post a photo and tag us on our social media accounts, and/or email it to [Mrs. Marentez](#).

2. **Wellness Wednesday** - One of the guiding principles for SD Catholic Distance Learning is to continue to recognize the health and well-being of students as our top priority. Please be on the lookout for an email I will be sending this afternoon introducing a helpful resource that will be available to our school families during this temporary school closure.

3. **End of the Year Activities** - As you read in the letter from John Galvan, Director of Office for Schools for the Diocese of San Diego, he mentioned that the approach regarding school closures was taken "with the health and safety of our students and teachers as a primary consideration of paramount importance." With that being said, please know that we have already been in collaboration with Office for Schools in planning "meaningful (albeit, creative) ways to honor our students in their ceremonial end-of-year events." We will continue to update you once plans are finalized.

4. **SD Catholic Mother's Day Video** - Just a friendly reminder that tomorrow is the last day to submit any photos! The diocese is collecting pictures of children holding a flower, an image of our Lady, holding a sign that says Happy Mother's Day, I Love You, etc. in different languages. Please ensure that you have permission to share these pictures. They will be listed on our Diocesan website, social media outlets and the diocesan YouTube Channel. Details: 1) The pictures need to be from the waist up. We ask that the picture be of the child or children holding flowers or a Mother's Day message. 2) The orientation of the picture needs to be vertical. 3) Send all images to mgalvan@sdccatholic.org and abustos@sdccatholic.org by April 30th. Please CC [me](#) in those emails as well so that she can also create a collage of the photos for our school community.

5. **Who should I talk to if I have a question or concern?** Start with an email to the classroom teacher. They know the specifics of instruction and their own procedures best for their particular class/grade level. If the concern or question is not resolved after this step, contact [Mrs. Marentez](#).

Thank you for your continued understanding and support!
As always, please let us know if you have any questions or concerns.
