## 5 Things Parents Need to Know Today!

1. Today is **Administrative Professional Professionals' Day!** Please join us in sending an email with a message of appreciation, a photo of your child(ren) holding a homemade sign, or any other means of showing your gratitude for all they do for our school!

Mrs. Ray: [ray@holytrinityhawks.com](mailto:ray@holytrinityhawks.com)

2. **Optional Classes with Adjunct Teachers** - Please join Mr. Garcia's Art Class today at 10:00am. The art class is open to all students in grades K-8. To join his class, click on his link on this week's [Distance Learning Schedule of Online Classes](#). In addition, if you missed Mrs. Andersen's music class yesterday, you can still sing along to recordings of a couple songs that we sang with her. You may find information for those recordings on the schedule mentioned above as well, as well as a link to this week's workout with Coach Q.

3. **Updated Work Week** - As you have noticed, we transitioned into a modified work week to help provide more support to our school families, especially those with both parents still working as well. With this new approach, our whole school community will hopefully have more opportunities to relax and enjoy quality time with their families over the weekend during this unprecedented time. Fridays are now designated as "active learning" days. Students may work at their own pace and use this day to complete and submit any unfinished work from earlier in the week, participate in optional classes online, ask teachers for help, meet virtually with teachers for additional support. I would also like to invite our school community to join me in my Ukulele Live class at 10am. I will be teaching anyone with an ukulele or guitar how to play "Lean on Me" this Friday. If you do not have an instrument, you are still welcome to join and sing with us! Then, before we end the work week, let us join together for our weekly sendoff prayer at 3:30pm.

4. **Monday Morning Assemblies** - There are still a few openings for any student that would like to lead our school community in one of our Monday morning assemblies. If interested, please [sign up](#) today.

5. **SD Catholic Mother's Day video** - The diocese is collecting pictures of children holding a flower, an image of our Lady, holding a sign that says Happy Mother's Day, I Love You, etc. in different languages. Please ensure that you have permission to share these pictures. They will be listed on our Diocesan website, social media outlets and the diocesan YouTube Channel. Details: 1) The pictures need to be from the waist up. We ask that the picture be of the child or children holding flowers or a Mother's Day message. 2) The orientation of the picture needs to be vertical. 3) Send all images to [mgalvan@sdcatholic.org](mailto:mgalvan@sdcatholic.org) and [abustos@sdcatholic.org](mailto:abustos@sdcatholic.org) by April 30th. Please CC [me](#) in those emails as well so that she can also create a collage of the photos for our school community.

Thank you for your continued understanding and support!
