December

Tomorrow, Friday, December 17 is a full day of school. There is an all school Mass at 11am which will be held outside on school grounds. Masks are optional for all outdoors.

There will be no after school extended care tomorrow. Please plan accordingly.

Fourth Sunday of Advent-December 19

FOURTH SUNDAY OF *Advent*

The fourth candle on the Advent wreath is the Angel's Candle. The Angel's Candle announces that the Babe of Bethlehem, whose birth the angels announced on Christmas Eve, will come again with all His angels to take us home and establish His everlasting kingdom.

On the Fourth Sunday in Advent

- Light all the candles
- Read Isaiah 9:6-7

Lord God, we light this candle to thank you for your Son our Savior Jesus Christ, who is the Prince of Peace. We who live in discord and strife have found peace in the promise of eternal life, through Jesus Christ. We give you thanks and praise in Jesus' name, because He lives and reigns with you in your glory, and in the unity of the Holy Spirit, Amen.

**SORRY WE'LL BE

The school office will be close at 3:30pm Friday, December 17 and will re-open at 7:30am Monday morning, January 3. Have a beautiful, blessed Christmas.

Reminder for All Parent Volunteers on Campus:

Please be advised, public and private schools serving students in transitional kindergarten through grade 12, must verify the vaccine status of all workers.

As stated in section F of the [State Public Health Officer Order of August 11, 2021](#):

"Worker" refers to all paid and unpaid adults serving in the school settings described in Section I. Workers include, but are not limited to, certificated and classified staff, analogous staff working in private school settings, and volunteers who are on-site at a school campus supporting school functions.

Therefore, all workers, including our HT faculty and staff, must be vaccinated, provide proof thereof, and further provide a negative Covid-19 test every other month (for long-term commitments)

OR

If unvaccinated, provide a recent negative Covid-19 test (weekly for long-term commitments). Please use the hyperlink above for more details regarding vaccination verification for all workers.

As mandated by the state, our California schools are committed to safe, full, in-person learning for all in K-12 schools, following strong public health science. For example, California has implemented a universal indoor masking requirement in all K-12 schools. Masks are optional for all outdoors.

Thank you for your continued support and cooperation for the health and safety of our community.

Coaches needed! We have enough students to form teams, but we do not have the coaching staff. Coaches needed for:

***Sports teach kids how to work together.

particularly among those students deemed most at risk.***
