Sports teach kids how to work together. It teaches problem solving and social skills. It improves attendance, not to mention grades, particularly among those students deemed most at risk.

Words cannot express how grateful we are to **Mr. Berek Downing** for faithfully painting our field for weekend sports.

I said a prayer for you today and know God must have heard.

I felt the answer in my heart although he spoke no word.

I didn't ask for wealth or fame. I knew you wouldn't mind.

I asked him to send treasures of a far more lasting kind.

I asked that he'd be near you at the start of each new day, to grant you health and blessings and friends to share your way.

I asked for happiness for you in all things great and small, but it was for his loving care I prayed the most of all.
