WHO INSPIRES YOU?

My sisters and teachers inspire me.

WHAT WILL YOU MISS MOST AT HT?

I will miss my amazing class and teachers. I'm sad that I have to leave, but I am so thankful for all the fun times I've had at HT and for everything I've learned.

ADVICE FOR INCOMING 8TH GRADE CLASS:

8th grade is hard academically, but don't give up because all the things you are learning will help you in high school. Have fun and make memories. It will be emotional going through all the lasts in the year, but it will be one of the best years at HT you will ever have.

WHAT IS A FUN FACT ABOUT YOU THAT MOST PEOPLE DO NOT KNOW ABOUT?

A fun fact about me is that I've been to seven different countries.
