## INTRODUCING MISS WIESE

Hello there!

I'm Laura Wiese, and I'm thrilled to be joining Holy Trinity School this upcoming year as the new middle school Math and Science teacher. I am from east county San Diego and was confirmed at Guardian Angels Catholic Church. After graduating from Coronado High School, I pursued my Bachelor's degree in Elementary Education at Western Governors University. I then had the opportunity to finish my credential program at Santa Sophia Academy in Spring Valley. My personal teaching philosophy focuses on fostering student curiosity and providing an environment where students can be their best selves. Alongside teaching, I have experience as a florist, barista, server, and gymnastics coach. Some of my favorite things include the beach, gardening, and Italian cuisine!

**A Warm Hawk Welcome!**

# PRINCIPAL'S CORNER

## THIS YEARS THEME

**"The Eucharist is the Highway to Heaven"**  
 ~**Blessed Carlo Acutis**

The eucharist is the cornerstone of our faith and it is a huge blessing to be able to celebrate mass as a community. Blessed Carlo Acutis is soon to be canonized and is a twenty-first century role model for his love of God and the Eucharist.

## SURPRISE!

You have heard the saying, "We make plans, and God laughs." Well, even though it was not my original plan, I am so excited to announce that I am **PREGNANT**.

Another life is always an amazing blessing! I have a scheduled C-section for Jan. 29th. I plan to work until Jan. 28th and return to work on March 3rd, 2025 if all goes well. In light of our beautiful surprise, we are going to wait to find out the gender. I already have two boys so take your guesses!

## PRAYER REQUESTS

Is there someone you want us to pray for? Prayer works! Please send your prayer requests to Dr. LoCoco
