5 Things Parents Need to Know Today!

1. It's **"Thankful Thursday"**! We encourage you to share your gratitude and blessings. If you want to share your gratitude with our school community, here's how:

- Write what you are grateful for on a post-it note
- Take a picture of it
- Post it and tag us on social media, or send it to principal@holytrinityhawks.com

We encourage our Holy Trinity School community to practice gratitude to help us get through these challenging times.

2. **Optional Classes/Activities with Adjunct Teachers** - Please check-out [this week's schedule of online classes](#) for the optional classes/activities with the adjunct teachers. Today's optional classes are:

- Bible Study with Mr. Jimenez
- Virtual Field Trip with Ms. Morrissey
- Read Alouds with Mrs. Svoboda & Mrs. Marentez
- Workout with Coach Q

3. **Opening of the 2020-2021 School Year Letter** - Although I already shared this letter last week, I'd like to reiterate the latest update from Bishop McElroy and the Office for Schools that the directive is for our Catholic schools to start next school year as scheduled in August and open our campus for on-site instruction. Please read the attached letter from John Galvan, Director of Office for Schools, with more information on the opening the 2020-2021 school year. We would like our parents to have a voice and an opportunity to express feelings and/or concerns about returning to school in August. Therefore, please complete the hyperlinked **Parent Survey** in the attached letter that Office for Schools has prepared to assess the year-in-review and to prepare for the year-to-come.

4. **Parent Agreements for School Enrollment** - Many of you have communicated with the school your desire to have your student(s) return, however, have not turned in the agreement. This information is vital to finalize the budget for the 2020-2021 school year. Mrs. Cota sent reminder emails yesterday to families we have not received agreements from yet. Please communicate with [Mrs. Cota](#) or call the school office if you have any questions or concerns. An electronic parent agreement is attached for your convenience.

5. **Stay Updated and Connected** - Check out the Distance Learning update page of our school website. This is the general location where you will be able to find the most updated information about distance learning during this Covid-19 pandemic and temporary school closure. You can also stay connected to our school community through our school accounts on social media.

Thank you for your continued understanding and support!
As always, please let us know if you have any questions or concerns.
