

# School Reopening Guidance & The Big 4

Updated as of 7/1/2020

## Guidance Documents

- Please consult the following documents for guidance on school reopening. For additional questions, please contact [COVID-Education@sdcounty.ca.gov](mailto:COVID-Education@sdcounty.ca.gov)
  - [CDPH COVID-19 Industry Guidance: Schools and School-Based Programs](#)
  - [CDE Stronger Together: A Guidebook for the Safe Reopening of California's Public Schools](#)
  - [SDCOE COVID-19 Recovery and Reopening Plan](#)
  - [San Diego County Public Health Order](#)

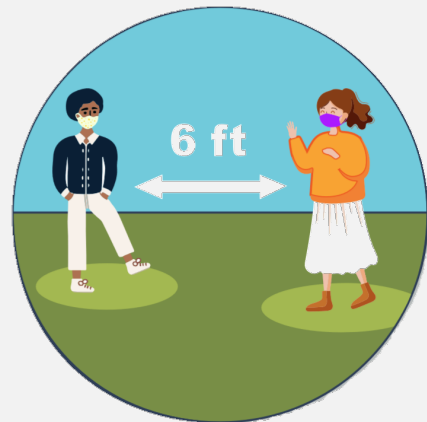

## 1. Temperature & Symptom Screenings

- Each school is required to implement screening and other procedures for all staff and students entering the facility
- Temperature screenings should be conducted with a no-touch thermometer and screen at a fever threshold of 100 degrees Fahrenheit or more

## 2. Physical Distancing

- It is recommended that six feet of distance is allowed between individuals where feasible
- Six feet of distance is required between staff and students
- Where six feet of distance is not possible, it is recommended to wear a facial covering

## 3. Face Coverings

- All staff should use a cloth face covering unless Cal/OSHA standards require respiratory protection. Staff may also wear a face shield
- Schools should consider mandating that students wear face coverings, if feasible. Cloth face coverings are most essential in settings where 6 feet of physical distancing cannot easily be maintained

## 4. Increased Sanitation

- Schools should teach and reinforce frequent hand washing, avoiding contact with one's eyes, nose and mouth, and covering coughs and sneezes among students and staff
- Limit use of shared objects and equipment
- Schools should intensify cleaning, disinfection and ventilation
