We thank Mr. Audie Uy, representing Inland Federal Credit Union, for attending our September 7 morning assembly to present the savings program to our students. **(See the school calendar with the dates stating "Deposit Day").** On Deposit Days, Mr. Uy arrives on campus and an announcement is made asking students to come to the office if they have a deposit to make. Mr. Uy then writes a receipt for the transaction and lets the student know how their account is coming along.

If you are interested in having your student join the program, **please contact the school office** and we will provide the necessary paperwork.

Mr. Uy also provided loan information with low percentage interest rates. if you would like copies of that material, let the school office know.
